Bartlett Lodge is Unique

A short boat ride from Cache Lake landing, a 20ft motorized freighter canoe shuttles guests to our secluded side of the lake. Our water access only private accommodations anticipate your arrival boasting unsurpassed Canadian wilderness in the heart of Algonquin Park. Canoeing, kayaking, swimming, hiking, biking, paddleboats and the peace of nature awaits you and your guests.

Cottages and Cabins

To reserve the full resort, a minimum of 38 adults are required. We happily accept groups of less than 38 adults with the understanding that exclusivity of the resort isn't provided.

We work with the couple to help assign cabins to your guests based on individual's needs. A cabin list can be found below along with a property map. More photos of cabin rooms, artist suites, and tents can be found [online](#).

Go to sleep with the sound of the waves rippling against the shore or listen to the loons and the evening sounds of Algonquin.

Deil Ma Care: Originally built in 1898, Deil Ma Care is our oldest and most historic cabin. Dining Room: Casual Elegance

Our rates include a 4-course dinner each evening and full breakfast in the morning. Our chef is happy to work with the couple to create a special menu for the wedding night dinner. Choose from various locally conscious and sustainable dishes that our Chef has to offer. The dinner menu begins with a charcuterie board for each table, followed by an appetizer, entrée and dessert of your guests choosing.

At breakfast, we offer a buffet of fresh baked goods, cereals, as well as fruit and cheese platters. Guests can order an item from the hot menu, the main part of the breakfast.

When you

reserve the entire resort, the mealtimes are your discretion. If you opt for a smaller wedding and there are guests at the lodge who are not part of your group, then our set meals times will be in place; 6pm or 8pm for dinner and breakfast from 8am-9:30am.

There are additional food options that can be offered throughout your visit. We are happy to offer hors d'oeuvres during cocktail hour, a late-night snack between 10pm-11pm and lunch by either a buffet or packed style selection. Each additional food option is a per person rate and prices vary based on your selection.

A dining room fee is added to the invoice for exclusive use of the main dining room. Please see our pricing chart below to determine the rate by dates. This amount would be in place to cover the cost of maintenance and cleaning.

Our dining room can accommodate up to 50 guests and is not licensed for alcohol. You are responsible to acquire the Special Occasions Permit that is required to serve your guests and then you may bring your own wine, beer, or spirits. Glassware will be provided. You can purchase the permit through the [Alcohol Gaming Commission of Ontario](#).

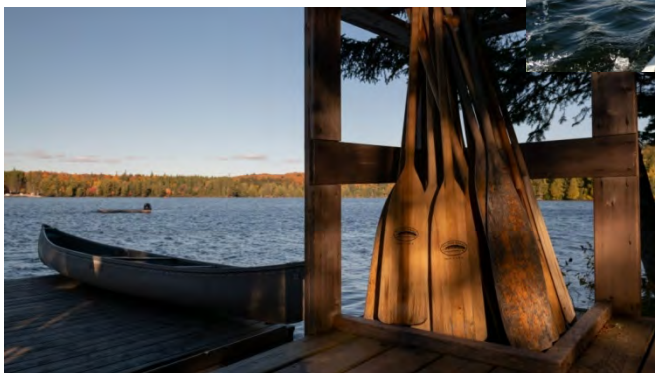

The Finer Details

Choose one of our three docks with a scenic view of Cache Lake in the background for your ceremony and greeting of guests. We can also offer you our beautiful guest lounge, Isabel's Cabin, if the weather is not suitable for an outdoor setting.

Our check in time is 3:00 PM. If your guests arrive early and their cabin is not available, we invite them to enjoy the Park, relax in our lounge, or sit on one of our docks until the cabin is ready. The check-out time for departing guests is 11 AM.

Guests of the lodge will be provided with a park permit which will allow them access to the many walking trails of the Park. During the time spent at the lodge guests can experience the Algonquin Park Visitor Centre, the Logging Museum, and the Algonquin Art Gallery. Guests can enjoy the use of the canoes, kayaks, paddleboats, and stand-up paddle boards (included in the rate) exploring the many bays and inlets of Cache Lake. We have mountain bikes available for those who wish to take on the challenge of the biking trails of Algonquin Park.

Contractual Details
